

Specialist Palliative Care Drugs Supply

SPCD Network of Pharmacies that stock End of Life Medication in Birmingham, Solihull and the Black Country

The Specialist Palliative Care Drugs Supply (SPCD) is a local enhanced service commissioned by two Integrated Care Systems across the West Midlands and delivered by NHS Midlands and Lancashire Commissioning Support Unit.

Pharmacies will hold agreed stocks of SPCD drugs and dispense palliative care prescriptions.

The aim of this Service is to provide a network of community pharmacies across Birmingham, Dudley, Sandwell, Solihull and Wolverhampton who undertake to improve access for people to specialist medicines when required.

The SPCD service will allow on demand, prompt access and continuity of supply of specialist palliative care drugs, during extended pharmacy opening hours
